Kansas Shorthorn and Polled Shorthorn breeders have con-
signed one of the best groups of cattle ever entered in our State
sale. You can improve your herd efficiency by using cattle of
better breeding that are being offered by breeders who have kept
up with the times. Look this catalog over. Study the pedigrees
and you will know why cattle from this sale last year went to
many out-of-state buyers.

This is a State sale, where breeders bring their top cattle.
Be in Hutchinson, Thursday, November 5, for this show and sale,
and save yourself some time, travel and money. Remember, they
weigh more if they are Shorthorns. You sell beef by the pound.

Footprint's Monarch—Not highly fitted, but weighed 1,080 pounds on August 15th. He has done extremely well since birth and should give size to his calves. He has a very gentle disposition. He resembles his father, Roanridge Footprint 15th, who at seven years of age continues to sire winning calves—his latest was Tons senior heifer calf who was champion Shorthorn female at the Atchison County Fair this year. His grand dam is one of the best cows in the herd. She belonged to Tomson show string. He should do an excellent job for club calves producers.
